Rickover Fellowship Application Instructions:

All parts of the fellowship application must be received by **January 31, 2027.** Late and/or incomplete applications will not be reviewed for awards.

You may save your application and resume it at a later time. However, please note that the application can only be saved for up to 30 days, and attachments will not be saved.

Please use standard letters, numbers, and punctuation. Avoid special characters and symbols, such as curly quotation marks, em dashes, accented letters, and other non-standard characters, as they may not be recognized by the form.

A complete application packet consists of the following sections:

1. Application Form
2. Authorization for Release of Information Form (electronic form can be found on the Rickover Forms page at scuref.org)
3. References (electronic form can be found on the Rickover Forms page at scuref.org) Please have three (3) people familiar with your academic preparation and your technical capabilities complete a reference/endorsement form for you. At least two of the three references should be from faculty members who are familiar with your current academic work. You will be notified when a reference form has been submitted on your behalf.
4. GRE Scores
   GRE score submission is strongly encouraged. While GRE scores are valued as a part of your application, you will still be given full consideration if you choose not to submit them.
   - If you submit GRE scores with your application, they must be sent directly from ETS using code 5949. Please call ETS if you don't see code 5949 on their online request form. Test scores dated before 2017 will not be accepted.
5. Transcripts from all universities attended must be sent **directly** from the university registrar by email (recommended) or mail.
